- F (Measures 4-5)
- B (Measure 5)

k vám cho-die-val, do o-kien - ka, do va - še -

ho, smut- ne som sa po - ze - ral.

2. Nebud' smutný, bud' veselý, ja ťa stále rada mám,
[našu lásku nerozdvojí iba z neba Pán Boh sám.:]
 3. Dobre ti je, môj šuhajko, dobre ti je na vojne,
[:tebe líčka červenejú, a mne blednú obidve.:]
 4. Z bielej ruže kvet odpadol, zostal iba koreň sám,
[naša láska sa zlomila, neverný si mi ostal.:]
 5. Tebe rastie v záhradôčke ten prekrásny rozmarín,
[:a mne rastie pod srdiečkom ten maličký kanonýr.:]
 6. Smutne spieva slávik v lese každého dňa zvečera.
[:ked' si ty k nám začal chodiť, láska vo mne horela.:]
